After a day in the mountains, enjoy the charm of La Clusaz, just a walk from your door

About Chalet Le Petit Mazot ...

This 4-star chalet is a real find for a family or two couples wanting their own tranquil space not too far from all the action.

Sleeping four people, it's rare to find such a delightful private property for a small party. Not only do you have your own detached chalet, but there is also a delightful outdoor seating area which is perfect for catching the last of the sunshine.

The location is perfect too - right opposite the Nant-Bossonet button lift yet on a quiet road, just a few minutes walk from the popular village of La Clusaz, where you'll find a great choice of restaurants, bars and shops.

Le Petit Mazot means the little shed, and although that is how this chalet started its life, it has now been extended and transformed into a warm and welcoming home which makes an ideal base for a holiday in the beautiful Aravis mountains.
